Chryslers at Caribbean - Display Day Results Sunday 21st October 2018

The 2018 Chryslers at Caribbean Display Day was finally blessed with excellent weather which always encourages fine cars to come out and strut their stuff. This year there were almost 300 Chrysler based cars on display, including for the newest category called Chrysler Cousins, for those with Chrysler heritage in some form or other, but not necessarily the true American Chrysler base. It included excellent examples of AMC's, Humbers and Jensens among others. There was also a very big contingent of trucks of all sizes and ages to add something we have not seen before.

There were plenty of Club members who turned up early to marshal the cars and to begin the judging, and we thank them all. All officials were fitted with fluoro jackets, and they worked together getting the cars in place, and trying to squeeze them in as the gardens became packed to the brim.

Of course the day is also only possible due to the generosity of our sponsors and they were again very supportive this year. This included:

- Knox Chrysler Dodge Jeep Dealership
- Shannon's Insurance
- Atlantic Oils
- Crossover Car Conversions
- All Gassed Up Die cast and Collectibles
- Jim Robinson Dodge & Plymouth Parts Australia
- S.L.D Automotive Services
- ELKO
