Chryslers at Caribbean - Display Day Results Sunday 20th October 2019

The 2019 Chryslers at Caribbean Display Day started with uncertain weather but ended up being a fine day for displaying our cars. This year there were 250+ Chrysler based cars on display, including the feature vehicle, the Valiant Pacer, which is celebrating it's 50th birthday this year.

There were plenty of Club members who turned up early to marshal the cars and to begin the judging, and we thank them all. All officials were fitted with fluoro jackets, and they worked together getting the cars in place, and trying to squeeze them in as the gardens became packed to the brim.

A special thanks goes to the organizing Committee who did an excellent job. They included Martin Hubbard (Chief Marshal on the day), Lucinda Vennix, David Green, David Richards, Robin Regester, Frank Mercuri, David Johnston, Stuart Elder, Kathy Gorman and Mark Fenton

Of course the day is also only possible due to the generosity of our sponsors and they were again very supportive this year. This included:
